

**West Berkshire Heritage Forum
Action Plan 2019-2020**

1. Continue a programme of Local Listing Panels, with at least one each year
2. Promote a Blue Plaque scheme for local parishes
3. Set up a working party to refresh the Historic Environment Action Plan (HEAP) with representation from the parishes and the local heritage/history societies. Aim to complete a draft for consultation by end of 2019.
4. Engage parishes in consultations on changes to national listing, and feedback to the district council
5. Include local heritage and historic events on the Forum website
6. Share good practice information and guidance from heritage agencies and the government with parishes and local societies.
